## Adding the LiveLoveDelaware Link to Your Organization's Website

### **Step 1**

Find a location on your website to include a hot link to the **LiveLoveDelaware** website:

<https://www.livelovedelaware.com/>

### **Step 2**

Consider adding the LiveLoveDelaware logo on the webpage you are linking from. The image file for the logo is called **LiveLoveDelaware-logo.png**, and it is attached to this email.

### **Step 3**

Consider using the following suggested body copy for introducing the **LiveLoveDelaware** site on your webpage:
